

ASSOCIATION OF OPEN UNIVERSITY GRADUATES Nation 10 - WALES

Edition 10

August 2016

Local News:

A recent visit to Wales was enjoyed by members and friends. The day started under extreme wet conditions however the sun was beating down on Betws-y-Coed on our arrival. It was a very pleasant visit that took in the local sights and as ever the beauty of the countryside in Wales is always a pleasure to see.

Coffee was taken in a local café and I was really taken with the collage on the back wall. I have included a picture to share with you. Books were available to browse and it was all we could do to put them down and walk around the village.

Please let me know if any of you would like to meet me in North Wales. Give me a ring, my number is in OMEGA. We are also looking forward to the Graduation Ceremony to be held in Cardiff later in the year.

Meetings:

Executive Committee Meetings have been held in February, May and July this year and normally the Executive Representative attends to report the opinions of their members and to take part in discussions to shape the Association's future, but unfortunately for several years, Wales has had no representation. To ensure your area's voice is heard, it is really important that a volunteer is found very quickly to fulfil this role. Could this be you? The next meetings will take place over the first weekends in October '16 and February '17.

Following the AGM Weekend in Buxton, Derbyshire, Mary Niblett and Mervyn Ward were welcomed as new Executive Representatives for Ireland and the North West respectively. Rosemary Hammick was co-opted for the newly amalgamated London and the South East.

Philip Evans was welcomed as the new Development Officer and Derrick Franks was co-opted as Vice-Chairman, whilst Jayne Littlejohn was appointed as Company Secretary, in addition to her continuing role as Executive Representative for Region 02.

Fund raising for the AOUG Foundation for Education charity

Every year the Association's own charity offers nine Awards to Research students, in their final year, who have been nominated by OU staff from their Faculty or Research Centre and they go forward for consideration to be selected to receive an Award. The successful recipients are then presented with their Awards at a prestigious Ceremony on the OU campus on the first Friday in October. Each Award comprises of a framed certificate and a cheque. All Award amounts are agreed by the Trustees annually.

Occasionally a Bursary is also offered and although they can be nominated by their supervisors as with the Awards, Research Students also have the option to self-nominate. These Bursaries usually offer a monetary Award, in addition to their framed certificate. This money is not to be used as a grant to complete their Research project but it can be used in any way the recipient wishes in order to develop their research further than originally planned, be it extending the area of research, attending a conference, or publishing papers.

AOUG Foundation for Education also funds Awards for new graduates in the Regions and Nations who have gained their first degree whilst overcoming adversity over and above that of the average student. There have been some amazing new graduates nominated for these Awards and during 2015 seventeen such Awards were approved. These new graduates also receive a cheque, along with their framed certificate.

However, in order to continue presenting these Awards each year, AOUG has to ensure that there are sufficient funds to cover them and this is where you come in as these Awards rely on the generosity of you, the members, as it is mainly your donations (with a little help from bank interest) that enable us to continue with this good work.

Your ideas wanted!

The annual commitment for these Awards is several thousand pounds and so we are constantly looking for new ways to maintain funds.

Following the Executive Committee meeting in February, the Committee had a workshop to discuss ideas for other ways to raise funds for the AOUG Foundation for Education and we are busy researching all possibilities.

Do you have any ideas?

If so please let us know so we can research your suggestion too.

You will have seen in the Spring OMEGA that we are offering an AOUG 2016 Ted Castle Bursary this year. Ted was an amazing long standing member who remained happy despite extremely adversity and his name has been chosen as symbolic of all the other amazing members who have died over the last twelve months. We invite you to make a special donation of as much as you like, or as little as one pound, in memory of Ted or alternatively, any other sadly missed AOUG member that was dear to your heart. If you wish to assist our work further, you might consider making an annual covenant to help ensure that this good work is able to continue for many more years. Covenant and Gift Aid forms are available from the AOUG Office.

AOUG Website updated

As those of you who visit our website regularly will have seen, it has recently undergone some subtle changes. The navigation has been redesigned and the Home Page has seen some updates to layout, including a new dynamic Upcoming Events section. The News and OMEGA pages have also been redesigned and we have a new Google Custom Search. However, the most significant changes have occurred behind the scenes with the whole site being re-coded to behave responsively, making it more user-friendly for visitors on mobile devices of all shapes and sizes. At the same time, we've also done a lot of housekeeping, removing out-dated material and tidying up links. If you have not visited the site for a while, now is the time to take a look at www.aoug.org.uk –The Officers would really appreciate your feedback, so please let the AOUG Office know what you think.

Local Groups:

There has been a group in Cardiff until recently, but no other Local Groups for a long time now and we are currently without a Local Contact for Cardiff too. It would be really good if we could re-establish the Local Groups again.

If you live in any area of Wales and can suggest ideas for activities local to you, please consider volunteering as a Local Contact. We only ask you to commit to attending three events a year and we will advertise them for you.
