

ASSOCIATION OF OPEN UNIVERSITY GRADUATES

Nation 10 - WALES

Edition 11

June 2017

Hello Everyone

I'd like to introduce myself. I have recently been co-opted as your Executive Representative for Nation 10 Wales.

I live near Cardiff and gained my Psychology (Hons.) Degree through the OU way back in 1996. The OU is a wonderful organisation and I am proud to be of service to it. My aim is to facilitate events that will enable "us" to meet and develop camaraderie between fellow OU graduates.

If anyone has any suggestions for suitable events please contact me at the e mail address at the end of this item. There are some interesting places to visit, and many venues in our region, which offer a wide variety of interest and entertainment. Wales is a large area, so if you would like to let me know about any ideas you may have I can coordinate the visit for anyone who would like to go. So, send me your ideas, and I will do the rest for you. It's as simple as that.

I'd like to think that from this point onwards, the Graduates of the OU who live in Wales will be able to develop a successful and active network.... but I'll need your suggestions, and support for the organised events. So, for our first venture, I'll keep it simple. Just a meet and chat over coffee and then, we could go on to lunch.

For simplicity, meet at Smiths at the foyer of Cardiff Central Station (not Queen St.) at 11am on Tuesday August 8th. We could then go for coffee at either the Marriot Hotel, or if the weather is fine, perhaps The Castle grounds. There are a variety of places for lunch, which we can decide upon at the time. Please make the effort to join me. If you have any questions or ideas, then send me a message.

Looking forward to meeting you, and embarking on this new era for Nation 10 together.

Regards
